INFORMATION FOR DISCLOSURE

Financial Statements

For the year ended 31 March 2007

IMPORTANT NOTE

The information disclosed in these financial statements has been prepared solely for the purpose of the Commerce Commission's Electricity Information Disclosure Requirements 2004. These Requirements state the information must be disclosed in the manner it is presented

This information should not be used for any purpose other than that intended under the regulations

CENTRALINES LIMITED - Lines Business

Statement of Significant Accounting Policies

For the year ended 31 March 2007

Basis of Preparation

Centralines Limited ("Centralines") is a public company registered under the Companies Act 1993. These financial statements have been prepared for the purposes of complying with the requirements of the Commerce Commission's Electricity Information Disclosure Requirements 2004. The financial statements comprise separate Statements of Financial Position, Financial Performance, Cash Flows and Movements in Equity for the Line Business as required by the Regulations. This businesses operate in and around the Central Hawke's Bay area. The general accounting principles recognised as appropriate for the measurement and reporting of earnings and financial position on an historical cost basis are followed by the Company, with the exception that certain assets have been revalued.

Methodology and Separation of Businesses

Centralines has generally followed the guidelines in the Electricity Information Disclosure Handbook issued by the Commerce Commission.

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain assets as identified in specific accounting policies below.

Operating Revenue

Sales revenue represents revenue earned for the sale of the company's products and services net of returns, trade allowances and taxes paid. Other revenue includes interest income on investments.

Income Tax

The income tax expense charged to the Statement of Financial Performance includes both the current year's provision and the income tax effects of timing differences calculated using the liability method.

The taxation charge against the surplus of the period is the estimated liability in respect of that surplus after allowance for all the permanent differences and timing differences not expected to crystallise in the foreseeable future. This is the partial basis for the calculation of deferred tax.

Future taxation benefits attributable to timing differences or losses carried forward are recognised in the financial statements only where there is virtual certainty that the benefit of the timing differences will be realised or any losses utilised.

Goods and Services Tax (GST)

The financial statements have been prepared with revenue and expense items exclusive of GST. In the Statement of Financial Position, accounts receivable and accounts payable are inclusive of GST. All other assets and liabilities are exclusive of GST.

Receivables

Receivables are carried at anticipated realisable value. An estimate is made for doubtful receivables based on a review of all outstanding amounts at year end. Bad debts are written off during the year in which they are identified.

Inventories

Inventories are valued at the lower of weighted average cost and net realisable value.

Property, Plant and Equipment

Distribution Assets

Distribution assets are valued at fair value based on Optimised Depreciated Replacement Cost (ODRC) as independently determined by Craig Rice BCom, Bachelor of Laws and Lynne Taylor Bachelor of Social Science of PricewaterhouseCoopers and Eddie Graham B.E(Elec.) FIPENZ. These valuations were completed as at 31 March 2004.

Land and Buildings

Land and Buildings assets are valued at market value as independently determined by Peter A Brabyn, B Ag Comm, M Sc, (Ag Econ) ANZPI, MNZIPIM. These valuations were completed as at 31 March 2006.

Vehicles, Plant, Furniture and Fittings and Office Equipment

The value of vehicles, plant, office equipment, furniture and fittings are at cost less depreciation.

Revaluations

Any revaluation surplus arising on the revaluation of a class of property, plant or equipment is transferred directly to the asset revaluation reserve. A revaluation deficit in excess of the asset revaluation reserve balance for the class of property, plant or equipment is recognised in the Statement of Financial Performance in the period it arises. Revaluation surpluses which reverse previous revaluation deficits recognised in the Statement of Financial Performance are recognised as revenue in the Statement of Financial Performance.

Disposal of Property, Plant and Equipment

When an item of property, plant or equipment is disposed of, any gain or loss is recognised in the Statement of Financial Performance and is calculated as the difference between the sale price and the carrying value of the asset.

The carrying values of property, plant and equipment do not exceed their estimated recoverable value.

Depreciation

Depreciation of property, plant and equipment, other than freehold land, is calculated on a straight line basis so as to expense the cost of the assets, or the revalued amounts, to their residual values over their useful lives as follows:

Estimated useful lives

Buildings	50 - 100 years
Office and computer equipment	5 - 15 years
Distribution system	0 - 70 years
Motor vehicles	3 - 15 years
GIS	10 years
Plant, equipment and tools	5 - 10 years

Subsequent Expenditure

Subsequent expenditure relating to an item of property, plant and equipment is added to its gross carrying amount when such expenditure either increases the future economic benefits beyond its existing service potential, or is necessarily incurred to enable future economic benefits to be obtained, and that the expenditure would have been included in the initial cost of the item had the expenditure been incurred at that time.

Capitalisation

Capital expenditure is defined as all expenditure incurred in the creation of a new asset, replacement of an asset that has reached the end of its economic life, or increased service potential of an existing asset. Constructed assets are included in property, plant and equipment as each becomes operational and available for use.

Employee Entitlements

A liability for annual leave, long service leave and retirement gratuities is accrued and recognised in the Statement of Financial Position. Liabilities for annual and long service leave are calculated on an entitlement basis at current rates. Retirement gratuity liability is calculated using current rates and appropriate probabilities.

Investments

All investments are stated at cost price and then adjusted to account for amortisation of premiums or discounts to face value.

Financial Instruments

Financial instruments recognised in the Statement of Financial Position include cash and bank balances, investments, receivables and trade creditors. These financial assets and financial liabilities are generally carried at their estimated fair values and, where appropriate, particular recognition methods adopted are disclosed in the individual policy statements associated with each item.

Statement of Cash Flows

The following are the definitions of the terms used in the statement of cash flows:

- (1) Operating activities include all transactions and other events that are not investing or financing activities.
- (2) Investing activities are those activities relating to the acquisition, holding and disposal of property, plant and equipment and of investments. Investments include securities not falling within the definition of cash.
- (3) Financing activities are those activities that result in changes in the size and composition of the capital structure. This includes both equity and debt not falling within the definition of cash.
- (4) Cash is considered to be cash on hand and current accounts in banks, net of bank overdrafts.

Changes in Accounting Policies

There have been no changes from the accounting policies adopted in the last audited financial statements. All other policies have been applied consistently with the previous period.

CENTRALINES LIMITED - Lines Business

For the year ended 31 March 2007

Note 1: Income Tax	2007 \$000	2006 \$000
<u>Taxation</u>		
Operating surplus before taxation	3,246	2,769
Prima facie tax @ 33%	1,071	914
Permanent differences	158	343
Timing differences not recognised	(376)	(309)
Prior period adjustments	(35)	(9)
Taxation expense/(benefit)	818	939

Taxation expense/(benefit) is represented by:

Current tax	818	939
	818	939

The Company has not recognised a deferred tax liability of \$4.2 million (2006 \$3.8 million)

Imputation credit account

Opening balance	1,849	2,208
Taxation paid	1,447	397
Taxation refund received	(2)	(731)
Imputation credits attached to dividends paid	(25)	(25)
Closing balance	3,269	1,849

CENTRALINES LIMITED - Lines Business

Notes to the Financial Statements

For the year ended 31 March 2007

Note 2: Surplus before Taxation

	2007 \$000	2006 \$000
<u>Operating Revenue</u>		
Network	6,716	6,623
AC Loss Rebate	46	109
Customer contributions	1,052	460
Interest revenue	292	128
Other Income	14	5
	8,120	7,325
<u>Depreciation</u>		
Electrical distribution system	1,532	1,501
Motor vehicles	6	6
GIS	55	55
	1,593	1,562
<u>Operating Expenses</u>		
Audit New Zealand - audit services	46	45
Audit New Zealand - disclosure accounts	7	7
Fees paid to other auditors	14	8
Remuneration paid to directors	106	85
All other operating expenses	3,108	2,849
	3,281	2,994
Surplus before discounts and tax	3,246	2,769
Discount	-	-
Surplus before taxation	3,246	2,769

Note 3: Investments

	2007 \$000	2006 \$000
<u>Current</u>		
Short term deposits held with registered banks	3,488	1,900
Current Investments of other listed securities	1,003	552
	4,491	2,452

Market fluctuations in interest rates affect the earnings on these investments but Company policy of placing deposits with high credit quality financial institutions minimises the credit exposure

Fair and market value information

Listed securities	1,001	549
-------------------	-------------	-----------

The market value is based on prices quoted on the stock exchanges at balance date

Fixed interest securities - interest rates

The range of interest rates on investments were:

Short term bank investments	7.50% - 7.87%	7.15% - 7.42%
Listed securities:	6.50% - 7.70%	7.17% - 7.40%

CENTRALINES LIMITED - Lines Business
Notes to the Financial Statements

For the year ended 31 March 2007

Note 10: Financial Instruments

Centralines has no off balance sheet financing (other than those disclosed in these notes), nor any foreign exchange exposure.

The fair value of financial instruments is the carrying amount disclosed in the Statement of Financial Position.

Centralines has an approved overdraft facility with the ANZ Bank for \$100,000 at an interest rate of 14%.

The interest rates on the company's deposits are presented in note 3.

Interest Rate Risk

Interest Rate risk is the risk that the value of the assets and liabilities will fluctuate due to changes in market interest rates. The Company is exposed to interest rate risk primarily through cash balances, investments and finance leases.

Credit risk

Financial instruments which potentially subject the Company to credit risk principally consist of bank balances and accounts receivable. No collateral is held on these amounts. Maximum exposure to credit risk is the amount stated in the Financial Statements and is net of any recognised provision for losses on these financial instruments.

Concentration of credit risk

The Company has exposure to one electricity retailer that may account for up to 50% of accounts receivable. To minimise this risk, the company has contractual requirements contained within the use of system agreements operating with this party. A bond may be required where deemed necessary. At balance date no such bonds were held.

Note 11: Reserves

	2007 \$000	2006 \$000
<u>Asset revaluation reserve</u>		
Balance at beginning of year	23,777	23,795
Revaluation of electrical distribution network	-	-
Revaluation of Land/Buildings	-	(18)
Balance at end of year	<u>23,777</u>	<u>23,777</u>

STATUTORY DECLARATION IN RESPECT OF STATEMENTS AND INFORMATION SUPPLIED TO COMMERCE COMMISSION

I, Sam Robinson, of Flemington, being a Director of Centralines Limited, solemnly and sincerely declare that having made all reasonable enquiry, to the best of my knowledge, the information attached to this declaration is a true copy of information made available to the public by Centralines Limited under the Commerce Commission's Electricity Information Disclosure Requirements 2004.

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the Oaths and Declarations Act 1957.

DECLARED AT Waipukurau THIS 27th DAY OF February 2008

CERTIFICATION OF FINANCIAL STATEMENTS, PERFORMANCE MEASURES, AND STATISTICS DISCLOSED BY DISCLOSING ENTITIES (OTHER THAN TRANSPower)

We, J Willis and S Robinson, directors of Centralines Limited certify that, having made all reasonable enquiry, to the best of our knowledge: -

(a) The attached audited financial statements of Centralines Limited prepared for the purposes of requirement 6 of the Commerce Commission's Electricity Information Disclosure Requirements 2004 comply with those Requirements; and

(b) The attached information, being the derivation table, financial performance measures, efficiency performance measures, energy delivery efficiency performance measures, statistics, and reliability performance measures in relation to Centralines Limited, and having been prepared for the purposes of requirements 14, 15, 20 and 21 of the Electricity Information Disclosure Requirements 2004, comply with those Requirements.

The valuations on which those financial performance measures are based are as at 31st March 2007.

DATED

**REPORT OF THE AUDITOR-GENERAL
TO THE READERS OF THE FINANCIAL STATEMENTS OF
CENTRALINES LIMITED
FOR THE YEAR ENDED 31 MARCH 2007**

We have audited the financial statements of Centralines Limited on pages 1 to 16. The financial statements provide information about the past financial performance of Centralines Limited and its financial position as at 31 March 2007. This information is stated in accordance with the accounting policies set out on pages 1 to 4.

Directors' Responsibilities

The Commerce Commission's Electricity Information Disclosure Requirements 2004 made under section 57T of the Commerce Act 1986 require the Directors to prepare financial statements which give a true and fair view of the financial position of Centralines Limited as at 31 March 2007, and the results of its operations and cash flows for the year ended on that date.

Auditor's Responsibilities

Section 15 of the Public Audit Act 2001 and Requirement 30 of the Electricity Information Disclosure Requirements 2004 require the Auditor-General to audit the financial statements. It is the responsibility of the Auditor-General to express an independent opinion on the financial statements and report that opinion to you.

The Auditor-General has appointed Mark Maloney of Audit New Zealand to undertake the audit.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- the significant estimates and judgements made by the Directors in the preparation of the financial statements; and
- whether the accounting policies are appropriate to Centralines Limited's circumstances, consistently applied and adequately disclosed.

We conducted the audit in accordance with the Auditing Standards issued by the Institute of Chartered Accountants of New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to obtain reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial statements.

In addition to the audit, we have carried out an audit assignment for the company. This involved issuing an audit opinion on the statutory financial statements for the year ended 31 March 2007. Other than this assignment we have no relationship with or interests in Centralines Limited.

Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion –

- proper accounting records have been maintained by Centralines Limited as far as appears from our examination of those records; and
- the financial statements of Centralines Limited on pages 1 to 16:
 - (a) comply with generally accepted accounting practice in New Zealand; and
 - (b) give a true and fair view of Centralines Limited's financial position as at 31 March 2007 and the results of its operations and cash flows for the year ended on that date; and
 - (c) comply with the Electricity Information Disclosure Requirements 2004.

Our audit was completed on 27 February 2008 and our unqualified opinion is expressed as at that date.

Mark Maloney
Audit New Zealand
On behalf of the Auditor-General
Palmerston North, New Zealand

**AUDITOR-GENERAL'S OPINION ON THE
PERFORMANCE MEASURES OF CENTRALINES LIMITED**

We have examined the information on pages 17 to 23, being –

- (a) the derivation table in requirement 15;
- (b) the annual ODV reconciliation report in requirement 16;
- (c) the financial performance measures in clause 1 of Part 3 of Schedule 1; and
- (d) the financial components of the efficiency performance measures in clause 2 of Part 3 of Schedule 1, –

that were prepared by Centralines Limited and dated 27 February 2008 for the purposes of the Commerce Commission's Electricity Information Disclosure Requirements 2004.

In our opinion, having made all reasonable enquiry, and to the best of our knowledge, that information has been prepared in accordance with those Electricity Information Disclosure Requirements 2004.

Mark Maloney
